Neighborhood Map

These parcels are enrolled in an Agricultural Preservation District (APD) which will be subject to possible removal by the owners in March 2014. The City of Milford may consider these parcels for annexation when and if the APD is removed by the owners, but only with the property owners consent. A plan amendment will be required unless five years have passed between the date of plan certification and the application for annexation. If annexation is considered under these criteria the future land use will be considered residential.
