

## What is Hinge Health?

We provide members with personalized, expert-developed exercise therapy plans for lasting pain relief.

### Is Hinge Health for me?

Whether a new injury or ongoing aches, Hinge Health is for anyone living with joint or muscle pain.

### What does my program include?

- Unlimited access to your personalized exercises and stretches developed by physical therapists
- Convenient exercise sessions you can do anytime, anywhere with the Hinge Health app
- Dedicated 1-on-1 support from a physical therapist and qualified health coach

### Who is in my care team?

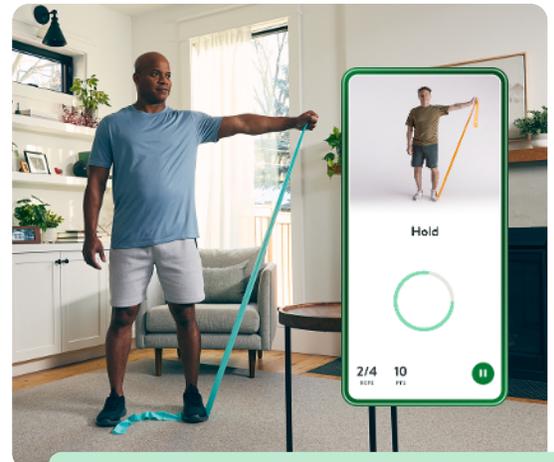

Your care team includes a physical therapist and qualified health coach. You can connect with them via text, email, phone call, or video chat to ask questions, set goals, and more.

### How much does the program cost?

Hinge Health is available to eligible employees at no additional cost.

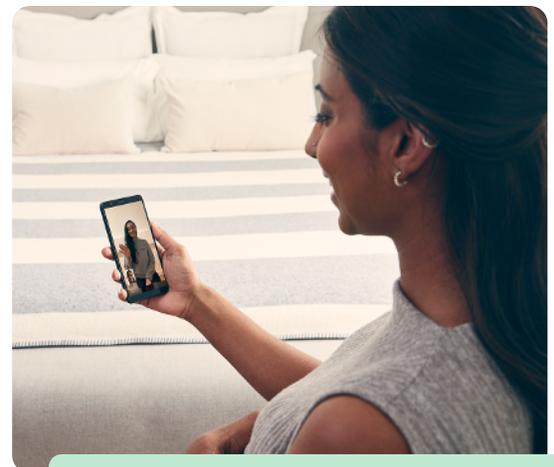

### Who is eligible?

Members and dependents 18+ enrolled in an Aetna medical plan through Delaware Valley Health Trust are eligible.

### Exercise therapy made easy

Your sessions are designed to be done in about 15 minutes or less.

### Support from your care team

Get help to overcome pain, recover from an injury, prepare for surgery, and more.
